Calculations are based on property listings that exist within Southwest Florida MLS. Only properties in Collier County, excluding Marco Island, are included. *Counts for breakdowns of available inventory for prior years are unavailable.

**Median Sold Prices are unavailable for periods with zero sales reported. The median refers to the middle value in a set of statistical values that are arranged in ascending or descending order, in this case prices at which homes were actually sold. Data entry anomalies and non-Naples zip codes may result in minor discrepancies. However, these anomalies are statistically insignificant. Single Family Homes are tabulated using properties with a building design of Single Family, Villa Detached, or Manufactured. Condo units are tabulated using properties with a building design of Low-Rise, Mid-Rise, High-Rise or Villa Attached.
